

THE DARYLL TRIPLETT
COMEDY SHOW

AKA OFFICER KEEP IT REAL

ABOUT THE SHOW

The Daryll Triplett Show is an American sketch comedy television series created by comedian, Daryll Triplett. Triplett not only hosts the show, he also plays several of the characters in the majority of the sketches. Triplett along with Mike Williams and David Simon are the show's executive producers. We are looking to get the series picked up by a major television distribution service.

Everyone's heard the story from comedians about the convict or arrestee, NEVER have you heard the story from the actual Cop!

You heard right!

How about hearing these gut-busting stories from a real "OFFICER" of 25 years?

Armed with only the truth, watch Comedian Daryll Triplett as he takes the stage and have you crying with laughter, as 'Officer Keep It Real' can...

Warning! you'll never look at POLICE the same!

THE ARTIST: DARYLL TRIPLETT

Daryll was born on July 24, 1970, in Columbus, Ohio where he lived with his family. From when he was a child, he had the ability to make people laugh. He used to perform for his family and friends and thoroughly enjoyed it. Even though Daryll was happy and knew he was doing a great job as an officer of the law, a realization struck. While Daryll had the ability to laugh people right into the backseat of his patrol car and off to jail, he realized that comedy is what he was meant to do. He used his more than 25 years of experience as a cop and seamlessly intertwined it with stories of marriage and family to create barrier-transcending comedic relief.
